Dancer Code Of Conduct

Ever Rising Dance expects **ALL** dancers to:

- Respect all teaching staff. This includes listening when the teacher or another student is speaking, not talking back and applying corrections/trying new suggestions positively.
- Treat all fellow students as you wish to be treated yourself. Support each other, encourage each other and be positive! Bullying in any form will not be tolerated.
- Always ask for help if you need it.
- Please ensure mobile phones are switched to silent and put in bags during class time – unless it is used in class with permission from the teacher for contacting parents, contact emergency services, occasionally play music or take videos/photos of your own work.
- Wear appropriate clothing for each genre – no socks, hair tied up and all jewellery removed for safety reasons.
- Always bring a drink of water to keep you hydrated.
- And most importantly have fun!!
