EVER RISING DANCE FIRST AID POLICY

Ever Rising Dance is committed to providing a safe environment for all students, staff and visitors. This First Aid Policy outlines the provision of First Aid in the event of injury or illness occurring at Ever Rising Dance classes, events, workshops and performances.

Aims Of The Policy

- To ensure prompt and appropriate first aid is given.
- To provide trained first aiders during operational hours.
- To maintain accessible and fully stocked first aid kits.
- To document and report all incidents and injuries in an accident report form.

Responsibilities

Dance School Owner/Principal

- Ensure Policy is reviewed annually.
- Provide appropriate training and equipment.
- Ensure there is a sufficient number of first aiders.

First Aiders

- Hold a valid Paediatric First Aid qualification.
- Provide first aid in line with training.
- Record and report all incidents appropriately.
- Renew your first aid qualification every three years.

Staff

- Be aware of the first aid procedures.
- Know the location of the first aid kits and emergency contact numbers.
- Support the first aider when necessary.

First Aid Provision

First Aid Kits

- Teachers will have a first aid kit on them and in the studio at all times.
- First Aid kits will be restocked monthly or after each use.
- Fairfield High School for Girls venue also has first aid kits located in the building (e.g. by the main entrance).
- Fairfield High School For Girls has a defibrillator machine located along the sports hall viewing bay corridor in a cabinet accessible by venue staff. These machines are checked by site teams at each venue and recorded as when checks were completed. Checks include battery health

checks, expiration dates on the pads. Combination padlock code checks, checks for any damages to any cabinets or parts to the defib machine.

First Aiders On Site

- At least one qualified first aider will be present during classes.
- All venue staff at Fairfield High School For Girls are First Aid trained and are qualified to First Aid at Work level.

Dealing With Incidents

1. Assess the situation and ensure safety.
2. Administer appropriate First Aid.
3. Call Emergency Servies if necessary.
4. Inform Parent/Guardian (if child is involved).
5. Record the incident on an accident report form and send a copy to Stamford Park Trust (who we hire the venue from).
6. Review the cause to prevent further injury.
7. Maintain records securely for at least 3 years.

Reporting and Recording

All injuries, regardless of severity, must be recorded. Each teacher will have access to an accident report form. Parents/Guardians will be notified of any injuries which have occurred at Ever Rising Dance.
