EVER RISING DANCE HEALTH AND SAFETY POLICY

At Ever Rising Dance we are committed to ensuring the health and safety to all of our students, staff and visitors. We aim to provide a safe environment where everyone can participate in dance and related activities without risk of injury or harm. We recognise our responsibility to comply with all relevant health and safety legislation and to promote a culture of safety awareness throughout the school.

Objectives

- To prevent accidents and work-related ill health
- To provide a safe and healthy environment for dance instruction and practice
- To identify, assess, and control potential risks associated with dance activities
- To ensure all staff are competent and trained in health and safety matters
- To review and continuously improve our health and safety procedures

Responsibilities

Directors

- Ensure that this policy is implemented, communicated, and reviewed regularly
- Provide adequate resources for maintaining health and safety
- Ensure all staff receive appropriate training and supervision
- Conduct regular risk assessments and inspections of facilities and equipment

Staff

- Take reasonable care of their own health and safety and that of others
- Report any hazards, defects or incidents to principals immediately
- Enforce safety rules during all classes, rehearsals and performances
- Ensure students warm up and cool down properly to prevent injury

Students and visitors

- Follow all health and safety instructions from staff
- Wear appropriate uniform and footwear for dance activities
- Report any injuries or unsafe conditions to an instructor promptly

We will carry out regular risk assessments to identify potential hazards related to:

- Slips, trips and falls
- Physical strain, overuse or impact injuries
- Electrical equipment and sound systems

- Fire safety and emergency evacuation
- Hygiene and infection control

And findings will be documented, and necessary control measures will be implemented.

Accident and incident reporting

All accidents and injuries must be recorded in the accident report book and a copy of this emailed to Stamford Park Trust. Stamford Park Trust are who we hire the venue from; they also require a copy of an accident report form for their 'records of accidents occurred at our venues'. More serious incidents will be reported to the relevant authorities as required. Our first aid supplies will be kept well maintained and we will have a member of first aid trained staff available during all operating hours.

Fire safety and emergency procedures

- Staff are responsible for ensuring all students safely evacuate during emergencies
- Ensure everyone knows where the fire meeting point is and reinforce that there is no re-entry to the building unless instructed by a member of staff
- Staff are responsible to do a register at the meeting point to ensure all students are safely out of the building

First Aid

- A first aid kit is available and fully equipped during operating hours
- Parents/ Guardians will be contacted of any injuries which occur
- All staff members are paediatric first aid trained and will need to update this every three years

Hygiene and Infection Control

- Students should not attend classes if unwell or contagious
- If a student is injured and unable to participate in the class they should not attend class unless discussed with Emily (Principal) to sit and watch so they can learn from being in the lesson

Safeguarding and wellbeing

- The emotional and physical wellbeing of all students is top priority
- Staff must maintain professional boundaries and follow the school's safeguarding policy
- Any concerns regarding abuse or misconduct must be reported immediately to the DSL

This policy will be reviewed annually or following any significant incident or legislative change. Staff and students will be consulted on any major changes.
